

TILA
CONSULTANTS

ABOUT US

We are **TILA**, a Land Acquisition Facilitating Consulting Firm that advises clients on the best strategy for Land Acquisition, Land Pooling, Social Impact Assessment, Rehabilitation & Resettlement Plans, etc. Our journey began in the year 2008 with the vision of becoming the best in the industry.

We specialize in understanding land dynamics and the several issues that come with the land acquisition process, especially when it comes to large-scale projects.

Furthermore, we've been trendsetters in incorporating new technologies like ArcGIS, Drone Mapping, Automated Processes for Managing Project Implementation and more.

Benefits of Choosing TILA

- Time bound Land Acquisition
- Minimized Litigations
- Reduced Chances of Compensation Enhancement
- No Harassment for Land Owners
